United in Colors: AAPNA

Priyanka Khatter

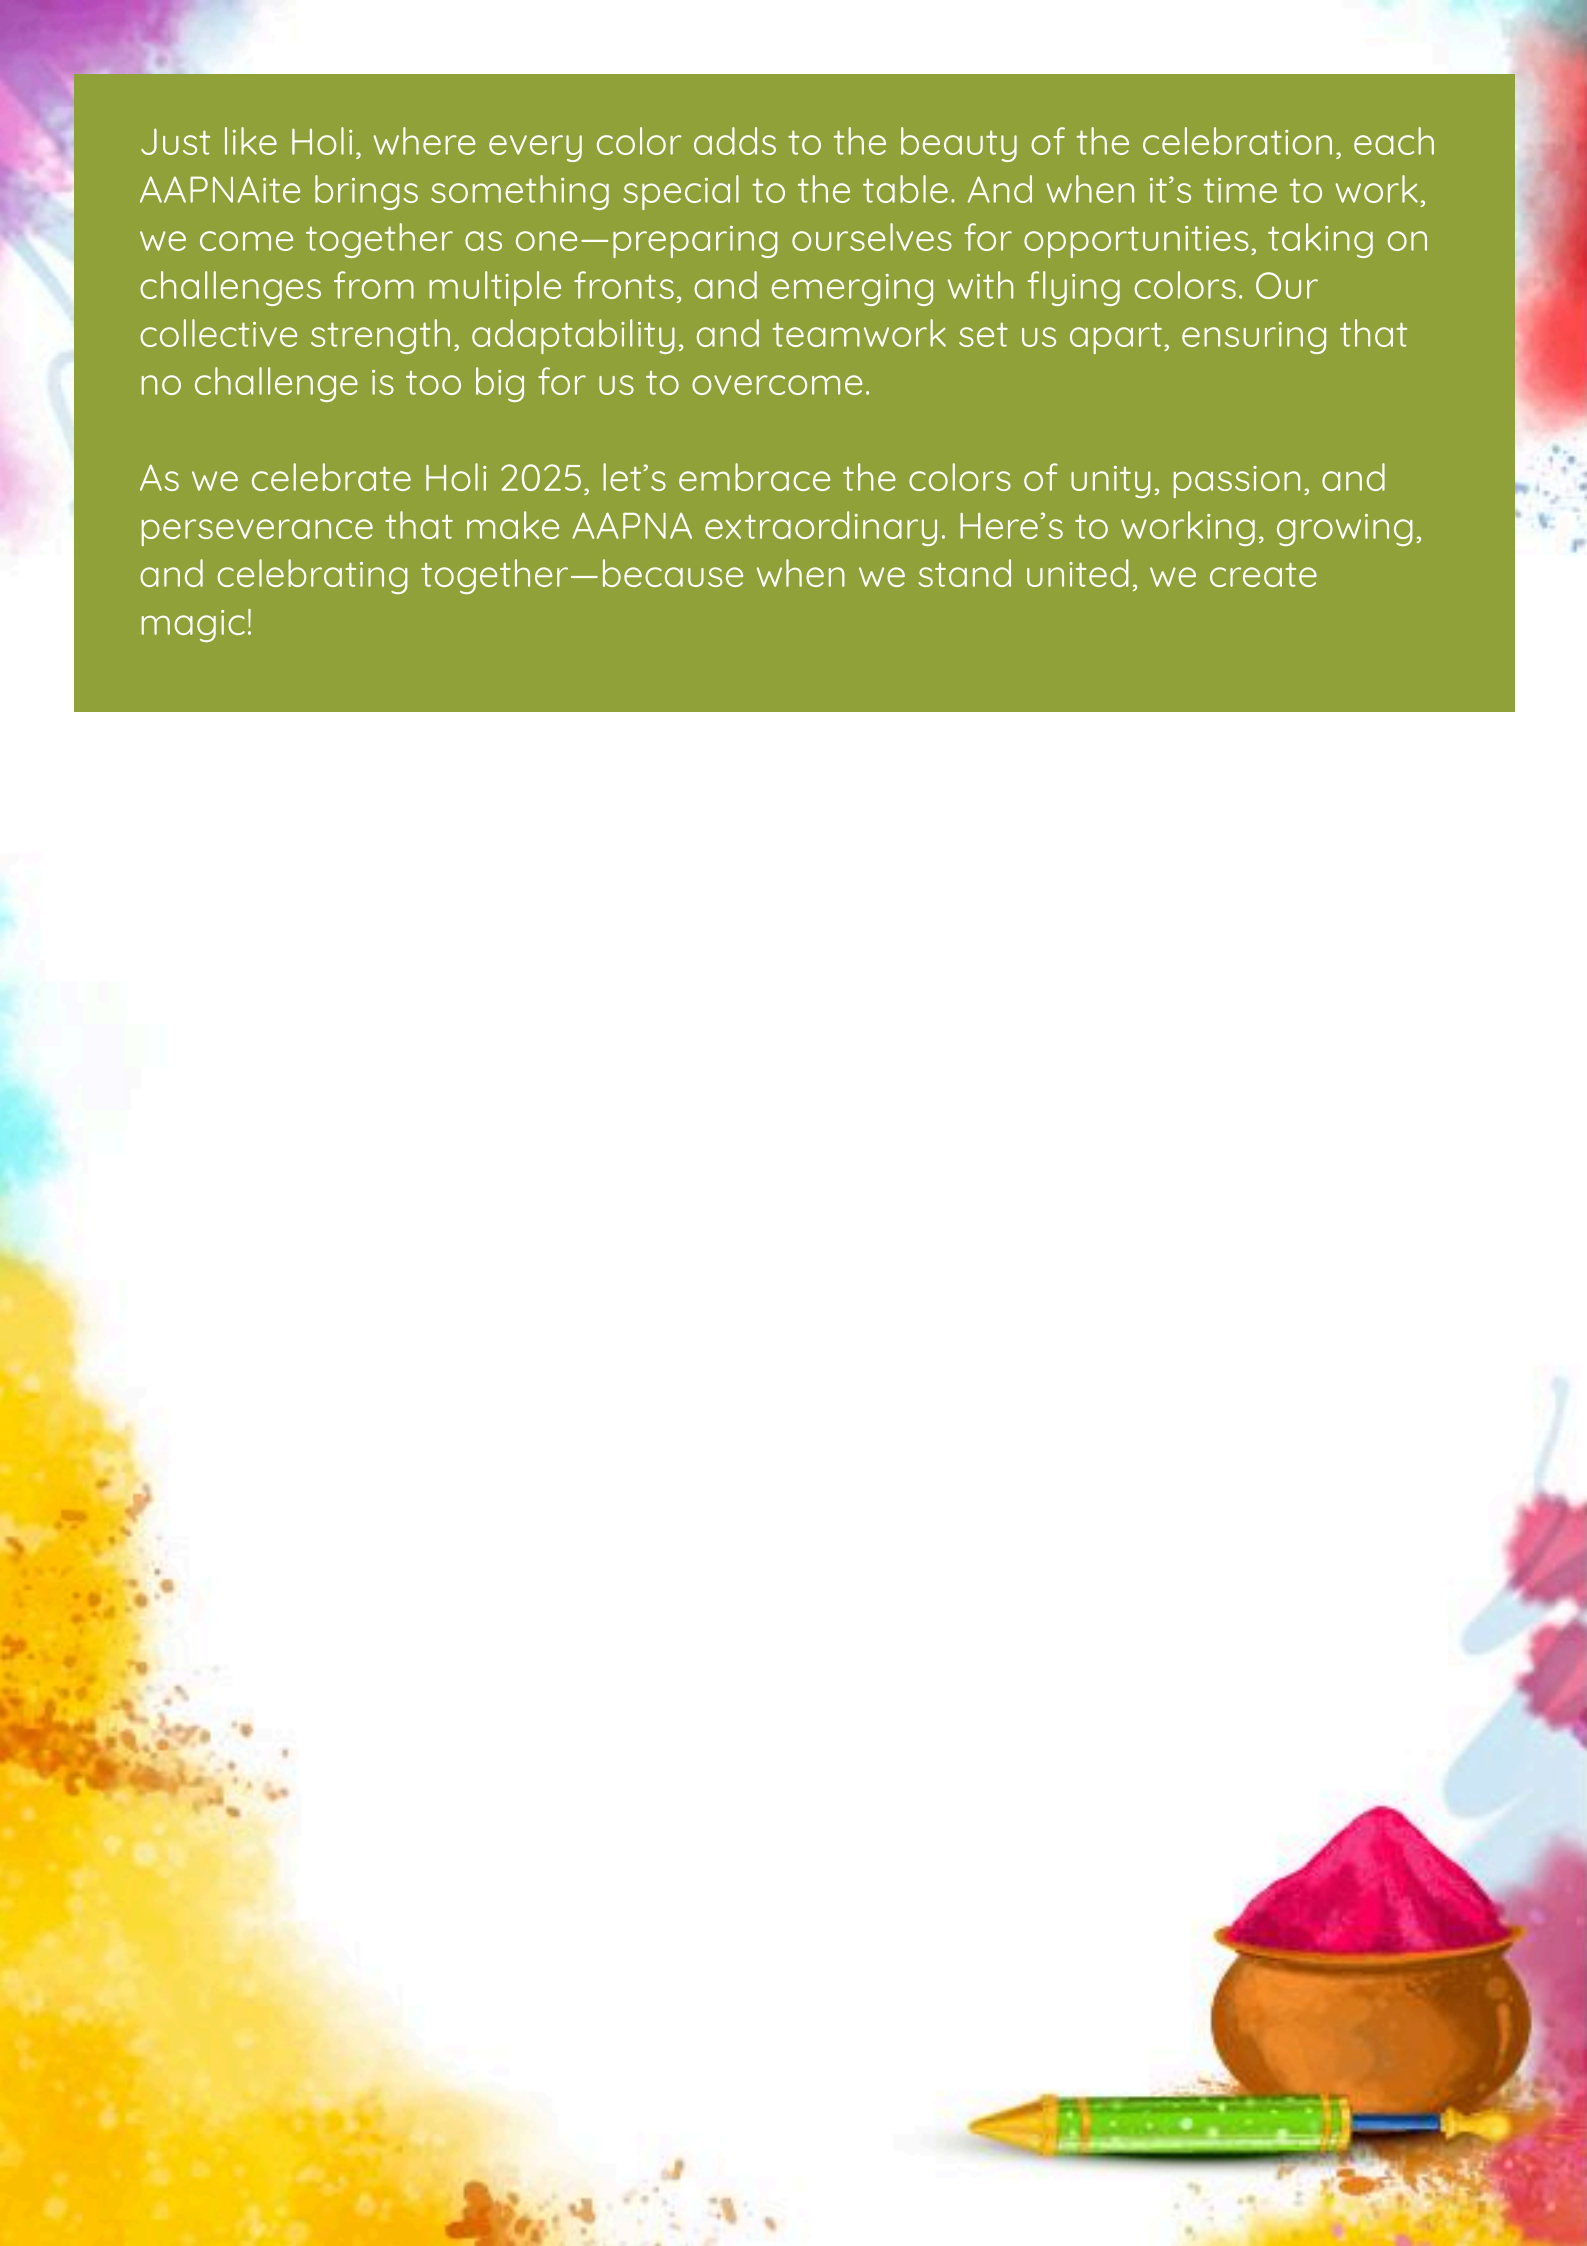

The beauty of teamwork is in the harmony of differences—where every color adds to the masterpiece, and every effort leads to success.

At AAPNA, colors are more than just shades—they represent the beautiful diversity that defines us. Like a vibrant Holi palette, we come from different backgrounds, customs, beliefs, and values, yet we blend seamlessly into one strong, united team.

Each color tells a story—of collaboration, innovation, and respect for each other's uniqueness. It is this diversity that fuels our strength, making us more creative, inclusive, and connected.

Just like Holi, where every color adds to the beauty of the celebration, each AAPNAite brings something special to the table. And when it's time to work, we come together as one—preparing ourselves for opportunities, taking on challenges from multiple fronts, and emerging with flying colors. Our collective strength, adaptability, and teamwork set us apart, ensuring that no challenge is too big for us to overcome.

As we celebrate Holi 2025, let's embrace the colors of unity, passion, and perseverance that make AAPNA extraordinary. Here's to working, growing, and celebrating together—because when we stand united, we create magic!

Susmita Roy

A Memorable Holi Experience - 2025

Holi, the festival of colours and joy, has always held a special place in my heart—but Holi 2025 was truly unforgettable. This year, we celebrated it in a special way at AAPNA Adda, and what made it even more heart-warming was the presence of our extended family members, including loved ones.

Everything was beautifully planned (credit goes to Abhijit & Sanghamitra)—from a coordinated dress colour code to the thoughtful sequence of events. We began the celebration by offering gulal to God, a gesture of gratitude and blessings, followed by seeking the blessings of our elders.

Then came the real fun—our original Holi whip began in full swing! Laughter echoed through the space, colours filled the air, and smiles were everywhere. It wasn't just a celebration of a festival; it was a celebration of togetherness, traditions, and pure happiness.

The vibrant hues of Holi blended perfectly with the warmth of our culture, making it a day to cherish for years to come.

Harshit Singh

Holi is more than just colors—it's about joy, unity, and togetherness. This year, I had a great time celebrating with friends, sharing laughter, and creating memories. I also took blessings from my elders, a tradition that fills me with gratitude.

Just like Holi unites people, AAPNA brings us together as a team, where every color and every individual matters. Let's continue to celebrate diversity, work as one, and spread positivity all around!

Priyanka Singh

Holi isn't just about colors—it's about coming together, letting go of differences, and celebrating the bonds we share. Just like each color adds something special to the festival, every team member at AAPNA brings their own uniqueness, making our workplace vibrant and full of life.

This year, we brought the festive spirit alive by playing Bingo virtually, and what an amazing time it was! The laughter, friendly competition, and shared excitement made us feel closer than ever, proving that distance can never dull our spirit of togetherness.

It's in these little moments—playing games, sharing stories, and celebrating as one—that we truly experience the joy of Holi. Here's to spreading happiness, embracing new beginnings, and staying united in color and spirit! Happy Holi!

Parth Jani

Holi at AAPNA is always special, and this year, we took the celebrations up a notch with an exciting Bingo game! While Holi is known for its vibrant colors, this time, it was also about the thrill of marking those winning numbers, the playful anticipation, and the shared joy of celebrating together.

With our virtual backgrounds splashed in bright Holi hues, the energy in the room (or rather, on the screen) was electrifying! As numbers were called, cheers erupted, friendly banter filled the air, and each “Bingo!” moment was met with excitement and applause. It was the perfect blend of tradition and team spirit, proving once again that at AAPNA, we find joy in the little moments that bring us together.

Beyond the game, what truly made this Holi special was the sense of unity and togetherness—whether playing, laughing, or simply enjoying the celebration as one big family. These moments remind us that while we work hard, we also take the time to build memories that last a lifetime.

Here's to more such colorful celebrations at AAPNA! Happy Holi!

Deepika Soni

Holi, the festival of colors, perfectly captures the spirit of AAPNA—where unity, diversity, and collaboration come together to create a vibrant and inclusive culture. Just like the colors of Holi blend seamlessly, AAPNA brings together unique talents and perspectives, fostering innovation and success.

- **A Memorable Holi Experience:**

I had the amazing opportunity to celebrate Holi with some of my fellow AAPNAites in Rishikesh last year, and it was an unforgettable experience! The colors, laughter, and shared joy reflected the strong bond we share beyond work, making it a celebration of unity and togetherness.

- **Colors Fostering Joy and Collaboration:**

Much like how colors spread happiness, AAPNA's collaborative environment encourages positivity and teamwork. Every project, milestone, and success is a testament to the harmony and inclusivity we experience while working together.

- **Teamwork and Inclusivity in the Spirit of Holi:**

Holi symbolizes breaking barriers and fostering inclusivity—values that resonate deeply within AAPNA. From tackling challenges to celebrating victories, our collective efforts create a vibrant and thriving workplace.

- As I reflect on those colorful moments in Rishikesh, I'm reminded that AAPNA is more than just a workplace—it's a family where every shade of individuality is celebrated.

Rewards & Recognitions

AAJ KA BAAZIGAR

Hardik Shah

- For he brings creativity to innovative solutions, driving efficiency in automating Mera Monitor's testing regression suite using AAPNA's in-house tool.

Eti Singhal

- For her efficiency, attention to detail, and proactive approach make her a trusted QA Lead and a valued partner for the client.

B Mohan Kumar

- For representing Karya Keeper at India Soft event and generating almost 30 leads.

Neha Rawal

- For extreme sincerity to her job and achieving results through hard work and dedication.

Raviteja Tirumala

- For doing a tremendous job in gaining client trust within 2 months, making him an integral part of the QA team. We look forward to grow the team under his leadership!

WARRIOR OF THE MONTH

Ravi Sharma

- For exceptional support in invoicing, tax queries, ESOP setup, payments, interviews, and PayU integration.

SPOT TEAM AWARD

IndiaSoft Mera Monitor Marketing & Sales Team

- For team's exceptional dedication and seamless execution at the India Soft Event. (Abhijit, Rishi, Anil, Hardik, Sachin, Mahesh, Mohan, Chhaya, Priyanka, Neha, Deepak, Gagandeep, Shashikant & Sadanand).
